NON-ACID
DRAIN
OPENER

Fumeless Drain Opener is a fast acting liquid drain opener that is harmless to porcelain, plumbing fixtures and septic systems. This product liquifies or loosens blockages such as paper, hair, lint, sanitary napkins, and grease, etc.

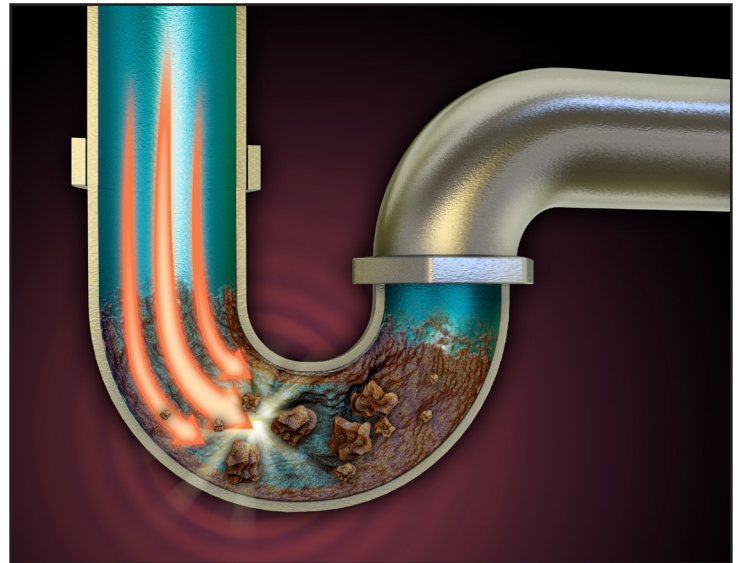

DIRECTIONS FOR USES:

Size of drains and extent of blockage can vary. Therefore, recommendations below should be adjusted to conditions.

Small Drains.....8 oz.....Allow to stand 15 minutes
3" to 4" Drains.....1 pt.....Allow to stand 20 minutes
Toilet Bowls.....1 pt.....Allow to stand 20 minutes
6" to 8" Drains.....1 qt.....Allow to stand 30 minutes
Grease Traps.....1 qt.....Allow to stand 30 minutes

FOR PREVENTATIVE MAINTENANCE: USE 3-6 OZ. OF PRODUCT WEEKLY. ALLOW TO STAND 5 MINUTES.

Pour product slowly and carefully to avoid splashing in ones' eyes or on skin or clothing. No need to remove standing water – this product is heavier than water and will flow to the blockage. After drain is clear, flush with warm water for about 5 minutes.

SPECIFICATIONS:

Appearance.....Clear liquid
Odor.....No odor
pH.....14
Specific Gravity.....1.202
Flash Point.....None to boiling
Boiling Point.....Appx. 212°F
Water Solubility.....Complete
